The Grief Recovery Handbook: The Action Program for Moving ...

The " Grief Recovery Handbook " by John James and Russell Friedman is an invaluable tool for healing emotional pain and loss. It saved me after the death of my parents and my divorce, which all happened at once. It shows us how to write "Grief Letters" to our "dearly beloved," and read it to a listener. This simple eye contact with another human, who need only be silent and accept our grief, pain, and yes tears, cre-

ates astonishing healing. The latest revision of the best selling guide that sets out how you can help yourself following any major life event that invokes grief. Unlike most books on grief which set out stories of other peoples pain, the Grief Recovery Handbook by John W James and Russell Friedman gives easy to follow steps to guide you through.
